

Jerusalem 2 August 77

Dear Hal -

the picture
on this card is of
the kibbutz next
to our excavations;
it celebrates its
25th Anniversary this year.

Hope you are well -
I leave in a few hours
for NY

Yours,
Rid B.

Dear Hal - Thanks
for the note. And a
relief to hear you are
feeling so well and
continuing to work.
Do not know anything
about the Thornton MSS.
You mention but it pains
me if, as you seem to
suggest, Martin in MA is
maligned. Martin is, after
all a poet... and his
political sensibilities are
simply humanistic.

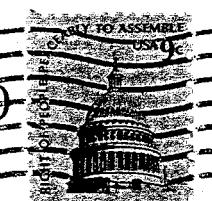

Keep in touch,
Love - Rid B.
